What Makes AI Vista Different?

Innovation. Experience. Wow Factor.

While other photobooths take pictures, AI Vista creates unforgettable moments. Here's how we stand out:

01

🎨 1,000+ AI-Generated Templates

Unlike traditional booths with static frames, AI Vista offers a massive library of dynamic, evolving AI templates—from cyberpunk and fantasy to vintage film, pop art, cartoons, superheroes, magazine covers, and much more.

02

💡 Real-Time AI Transformation

Most competitors rely on filters or simple effects. AI Vista uses advanced AI to instantly transform photos into high-quality art styles—ready for print or share within seconds.
Not a filter. Not a preset. A full AI makeover.

03

📱 Interactive Touchscreen Experience

The booth is designed like a giant smartphone—sleek, intuitive, and touchscreen-based, giving users full control over:

- Template selection
- Pan/zoom face adjustments
- Real-time previews
- Print/share options

It's not just smart. It's fun and easy for all ages.

OUR WORK

OUR SUCCESS STORIES

Case Study 01

Client:	National Achievers Congress (B2C)
Dates:	16th – 17th November 2024
Attendees:	1500+
Duration:	2 Days
<p>Organized by Success Resources (Singapore), this high-impact networking event featured international speakers and brought together over 1500 attendees. AI Vista was onboarded to elevate the guest experience by providing an interactive entertainment element through our AI-powered Photo Booth. We fully customized the machine and templates to align with the event theme, incorporating event and sponsor logos on each image for maximum brand visibility. Guests received personalized images as souvenirs, and many shared their creations on social media—resulting in a significant boost in online engagement for the organizers. Additionally, QR codes were integrated to drive followers to the official Success Resources social platforms.</p>	

Case Study 02

Client:	NAS Sports – Dubai Sports Council (B2B)
Dates:	5th – 10th March 2025
Attendees:	2500+
Duration:	5 Days
<p>In partnership with the Dubai Sports Council, AI Vista was featured at the NAS Sports event to add an engaging and modern touch to the experience. Our Photo Booth was active throughout the 5-day event and was fully tailored with customized branding, including event and sponsor logos. Visitors enjoyed capturing AI-enhanced portraits, which they received as keepsakes—enhancing overall event engagement and providing lasting impressions.</p>	

Case Study 03

Client:	Ministry of Cabinet – Annual Day (B2B)
Dates:	9th January 2025
Attendees:	250+
Duration:	1 Day
<p>For their Annual Day celebration, the Ministry of Cabinet selected Al Vista's Photo Booth to provide a unique and interactive activity for their employees. Custom AI-generated portraits served as both entertainment and a meaningful takeaway. As with all our deployments, the machine and templates were customized with event and sponsor branding, ensuring consistent visibility across all outputs.</p>	

Case Study 04

Client:	Forbes Under 30 Summit – Abu Dhabi
Dates:	10th – 11th December 2024
Attendees:	1000+
Duration:	2 Days
<p>Al Vista's AI-powered Photo Booth was selected as one of the standout experiences at the prestigious Forbes Under 30 Summit in Abu Dhabi. Designed to engage high-profile influencers and attendees, the machine offered a unique and innovative way to create share-worthy content. Branded imagery featured event and sponsor logos, which not only increased social media sharing but also significantly amplified the summit's digital engagement and reach.</p>	

Case Study 05

Client:	Affiliate World Dubai (B2B) – In Partnership with Snapchat
Dates:	26th – 27th February 2025
Attendees:	2500+
Duration:	2 Days
<p>In collaboration with Affiliate World Dubai and Snapchat, AI Vista delivered an immersive and engaging experience with our fully customized AI Photo Booth. Attendees captured AI-generated images tailored to the event's branding—complete with sponsor logos for optimal exposure. The booth served as a major interactive attraction at the venue, creating a buzz both on-site and online.</p>	

Case Study 06

Client:	Ascend Esports – Sports Society, Mirdif (B2B)
Product:	Photobooth Purchase
<p>Ascend Esports integrated the AI Vista Photo Booth into their Gaming Zone at Sports Society, Mirdif, as part of their strategy to boost engagement and attract a younger audience. The Photo Booth quickly became a standout attraction, offering visitors - especially kids and teens - a fun, interactive experience and a memorable takeaway.</p> <p>In addition to purchasing the machine, Ascend Esports also collaborated with us to design and produce custom-branded merchandise, including T-shirts, water bottles, and tote bags, which are now sold in-store to enhance brand visibility and drive additional revenue.</p> <p>To ensure continued performance and freshness, AI Vista provides ongoing monthly maintenance of the machine and regularly supplies custom-designed templates upon request, aligning with Ascend's marketing campaigns and seasonal themes.</p>
